**3.2.1 Institution has created an ecosystem for innovations, Indian Knowledge System (IKS), including awareness about IPR, establishment of IPR cell, Incubation centre and other initiatives for the creation and transfer of knowledge/technology and the outcomes of the same are evident**

## Research Policy

The research policy of the institute is designed as a general framework within which all the research activities of faculty and students may be carried out. The policy aims to create and nourish a research culture among the members of the faculty and students, with a view to enrich the professional competence of the faculty, to develop and promote research aptitude of learners, and to create a conducive environment for research activities in the college.

### Objectives of the research policy

- To create an environment fostering a research culture by providing the required support to the researchers
- To improve and strengthen the institutional capacity for enabling research in various disciplines..
- Ensure publications in quality journals
- To guide faculty members in the effective integration of research themes with curriculum enrichment activities.
- To encourage and facilitate the dissemination of research output through workshops, seminars, guest lectures etc.
- To ensure that the academic staff engage in the desired proportion of teaching, research and consultancy output, on a regular basis

### Composition of Research cell

To ensure adequate output in research component, a Research cell is constituted in the following composition:

### Policy and guidelines

- Faculty members of Late Annasaheb P. S. Wadile Arts College, Thalner are expected to undertake research projects leading to quality publications in peer-reviewed journals, Care list, others ext.

  
Principal  
Late Annasaheb P.S.Wadile  
Arts College, Thalner  
Tal.Shirpur, Dist.Dhule

- Publication output of the faculty should be enhanced.
- A database of research work and projects undertaken by faculty should be maintained.
- Inter disciplinary / interdepartmental research projects should be encouraged.
- Workshops and seminars to promote a research culture on campus
- Uploading of the Research Paper in the institute website and proper and timely closure of the report should be ensured.
