4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

The institute has always given priority for up-gradation of IT facilities. Regular updating is done in facilities at institute level as well as department level. The description of the same is provided below.

Internet Connection: The institute regularly updates the internet connection every year and as of now, the available internet bandwidth is 100 MBPS provided by Vodafone.

No. of Systems: Institution has a total of 15 computers for students & staff.

Wi-Fi Facility: Institution has provided Access point in and around campus for all staffs and students.

Networking Peripherals: Institution has networking switch.

I/O Devices: The institute purchases printers as per the requirements given by the departments. The institute has in all 2 laser printers.

Projectors: Upgrading of IT is seen in teaching learning process as Over Head Projector in the institute.
