6.4.3 Institutional strategies for mobilization of funds and the optimal utilization of resources

Response:

Sources of funds are as follows:

1. Fees:

Fees charged as per the university and government norms from students of various granted and self financed courses.

2. Salary Grant:

The College receives salary grant from the State Government. For this, we prepare and send an annual budget of the estimated salary grant required to the state government. This grant includes salaries of the Full Time Permanent teachers and non-teaching staff as well as Clock Hour Based (CHB) teachers working on granted posts.

3. University Grants:

Our College is under 2F as per UGC Act. So we receive grants at the University level for the development and maintenance of Infrastructure, upgrade of the Learning Resources and Research (including grants for Workshop, Conference and Seminar).

4. We received fund from Stakeholders, non-government bodies, individuals and Philanthropists.

5. We received funds to create the special cell for competitive exam in Library.

Our resource mobilization policy and procedures are as follows:

1. The institution set up a Committee as per the directions of the University given.
2. The Committee, in close coordination with the CDC and the IQAC, monitors the mobilization of funds and makes sure that the funds are spent for the purpose for which they have been allocated.
3. The Purchase Committee takes care that purchases are done properly and in accordance with the rules.
4. The College Development Committee takes a review of the mobilization of funds and the utilization of these sources periodically in their meetings.
5. Regular internal audits from the Chartered Accountant and external audits from the government make sure that the mobilization of the resources is being done properly.
6. The time-table committee looks after the proper utilization of classrooms and laboratories.
7. The Library Advisory Committee takes care that the resources in library are utilized optimally.
8. Our College green belt zone is maintained directly under supervision of the Principal.
9. Campus cleanness and its utilization are monitored by the Campus Cleanliness and Beautification Committee.
10. To ensure the optimum utilization of resources, the Principal issues directions.
