## Facilities of Women

The Women's cell of Late Annasaheb P S Wadile Arts College, Thalner consisting committees was formed to address all the internal issues of the students and faculty. The members offer suggestions and solutions so that the issues can be successfully resolved. This committee of the college addresses issues regarding the empowerment of the women staff and students on the campus. The committee's responsibility is to make sure that women have equal access to power. Sexual harassment is an extremely delicate subject, and students who experience it will not be prepared to talk about it.

This group was established as a result to address these issues and assist the students. The women's cell empowers the students and staff to have self-esteem and confidence they need, to take the right decisions for their lives. And, the cell is also spreading awareness regarding social, legal and constitutional rights of women in order to prevent exploitation based on gender.

In alignment with Late Annasaheb P S Wadile Arts College, Thalner with the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, has established its own help advisory committee to address any instances of grievance, instances of misconduct or complaints, and it enforces stringent corrective measures. These measures are in-line with the Act published in the Gazette of India, Extraordinary, PART II- Section 1 under the Legislative Department of the Ministry of Law and Justice.
